¹In Louisiana, the congressional election of November 4, 2008, was an open (nonpartisan) primary. To be elected, candidates had to receive a majority of the vote. A runoff election was scheduled for December 6, 2008, for seats for which no candidate received the requisite majority (see *Foster v. Love*, 522 U.S. 67). The votes for the 2d and 4th Congressional Districts are the results of this runoff election.

²Unopposed.
